

PERFECTLY PACKAGED GIFTS

The Gift Wrap Bar

On-Site Corporate Gift Wrapping

Bring the joy of thoughtfully wrapped gifts to your office, client event, or holiday party. Our team sets up a full-service wrapping bar on-site so your employees, guests, or clients can drop off gifts and pick them up beautifully wrapped.

HOW IT WORKS

- Book your date and give us a rough headcount.
- We arrive with everything needed: premium papers, ribbon, and gift tags.
- Your guests drop off their gifts, and we wrap on the spot. You choose company-billed or guest-paid pricing.
- We break down and leave your space exactly as we found it.

WHAT'S INCLUDED

- Curated papers, ribbon, and embellishments coordinated to your preferences.
- A dedicated wrap station designed to keep lines moving at busy events.
- Option to bill the company directly or let guests pay individually at the bar.

PERFECT FOR

- Employee holiday parties and appreciation events
- Client gifting days and office lobby pop-ups
- Retail partnerships and shopping-event add-ons
- Nonprofit and community fundraising events
